

DRIVING SURFACE PERFECTION™

RAPTOR®

TOUGH AND **TINTABLE** PROTECTIVE COATING

**GREAT UV
RESISTANCE**

TOUGH PROTECTION THAT DOESN'T FADE

RAPTOR is a tough protective coating that offers excellent UV resistance. RAPTOR's innovative formula uses high amounts of UV absorbers making it the market leader in protection against fading. All of these samples have been exposed to 8,000 hours of ASTM testing which is the equivalent to 8 years left in the tropical sun and the results speak for themselves.

AFTER 8 YEARS IN THE SUN...
