RAPTOR

5L BASE AND HARDENER SIZES

RAPTOR is a durable urethane coating that provides surfaces with a protective barrier that can withstand the toughest environments. RAPTOR stands up to scratches, mechanical damage, fuels, hydraulic oils, animal urine, salt water and more. RAPTOR's versatility makes it perfect for almost any application, from automotive to industrial and commercial to around the home. New 5L size gives you the flexibility to mix exactly as much product you need for each project, large or small!
