**TOUGH & PROTECTIVE BED LINER KIT**

## 2 PART URETHANE - THE PROFESSIONAL'S CHOICE

The tough, versatile protective coating specially developed to withstand the toughest situations

ROLL-ON RAPTOR is a 2 part urethane coating that gives ultra-tough protection to vehicles and many other surfaces. It forms a highly durable, water resistant barrier that protects surfaces from impact, scratches, corrosion, chemical spillages, fuels, fresh and salt water and more. It's easy to use and dries quickly to give an attractive textured finish that performs in all climates and temperatures and resists fading from sunlight. Add RAPTOR TRACTION - Slip Resistant Additive (UP4800) to give a slip resistant finish to floors, steps, decks and more!

- **Impact, scratch and UV resistant**
- **Protects against corrosion, salt, water, chemicals & more!**
- **Adheres to metal, wood, plastics, fiberglass, concrete**
- **The roller creates a textured, black finish**

### WHERE TO USE

ROLL-ON RAPTOR is perfect as a truck bed liner as well as having many other uses, including:

- Push bars, running boards, roll bars
- Trailers, Vans, ATV's
- Boats, decks, steps
- Floors and work surfaces

**EASY TO USE - just mix, shake and roll™ ...**
