RAPTOR WHITE TECHNICAL INFORMATION

DRIVING SURFACE PERFECTION™

RAPTOR Protective Coating 4L Kits is the industry standard in bedliner coating. Each kit contains four bottles of Raptor and one tin of hardener. Each kit covers approximately 125 square feet, enough to do a full size pick-up truck bed. Compatible with both the Raptor Application Gun and Raptor Professional Vari-Nozzle Gun.

Use for automotive, construction, marine, recreational, industrial, agricultural and commercial applications.

Code	Description	Color	Units Per Case

ABOUT RAPTOR WHITE

RAPTOR Protective Coating 1 US Gallon Kits in White cover a multitude of automotive, industrial, commercial, marine and fleet applications. The same great Raptor formula - now in white!

Color specs: General Motors Fleet White

Color Code: WA8624

RAPTOR Protective Coating is a durable urethane coating that provides surfaces with a protective barrier that can withstand the toughest situations. Developed to tolerate most climatic conditions, **RAPTOR Protective Coating** is U.V., water, scratch and stain resistant. **RAPTOR Protective Coating** protects the roughest industrial surfaces as well as the smaller surfaces we rely on every day. It's durable, looks great and it lasts a long time.

When you need a surface protection solution that can stand up to the elements, choose **RAPTOR Protective Coating!**
